SOLE IMPORTERS, No. 338 Broadway, N. Y.

This DELICIOUS TONIC especially designed for the use of the MEDICAL PROPESSION and the FAMILY, pos-

sesses those intrinsic medicinal properties (Tonic and Diaretic) which belong to an Old and PURE GAN. The business of manufacturing specious gins, and offering them as beverages, under the titles, " Arms d'a"---" Cordisl,"---" Medicated," etc., has become so common, that the pub-Ec are justly supicious of nearly everything that is offered an irr similar forms, and the trade has thus been brought into disrepute It has remained for our house (established in 1778) to supply the pressing popular need, and to insucorrate a new era in the history of the Trade. We trust that our established reputation — founded apon eighty years of experience -- abundantly vindicates our chain to public confidence.

A comparison of "Biologors Old London Döck Gla" with others bearing steadar names, will establish its superiority, and make other Cauriou immecessary.
